Genealogical items on the L L O Y D family in Canada  
(Gathered by E.C.Young)

It has been generally recognized the Canadian members of this family could trace their ancestry to very highly regarded and important members of the English business, social and economical circles, in addition to many who contributed greatly to the early political successes of the British Commonwealth

The first one of the name to be noted in Upper Canada seems to have been:

George Henry LLOYD who married Catharine(Katreen) YOUNG a daughter of Lieut. Henry YOUNG and his good wife Mary who settled in Third Town(Fredericksburgh) soon after the Treaty of Peace in 1784. Complete details of their family is not readily available but we have a record of

I. Edward LLOYD born 3rd May 1795 to George Henry and Katreen LLOYD. It is generally believed that Edward had three (Asa, Daniel, John) or more brothers

We do find records of Amos C. LLOYD and John C.LLOYD residing on lot 17 concession 2 of South Fredericksburgh, as well as Charles A. LLOYD on lot 16 concession 5 of North Fredericksburgh in the year 1878 when Meacham's illustrated Atlas was issued

Edward LLOYD wooed and wed Dorothy CALDWELL(born 1795) her parents being John CALDWELL born 1763 at Charlottenberg, N.S., and Juliana MILLER(born 1767) daughter of one of the early United Empire Loyalist settlers in the Napanee district of Fredericksburgh.

Julia Ann LLOYD (born 1817-died 1859) daughter of Edward and Dorothy LLOYD, married Andrew SNIDER (1809-1890) whose family settled in Second Town (Ernesttown) about the same time as the Youngs.

Sarah Ann SNIDER (1842-1869), daughter of Andrew and Julia Ann SNIDER, married John G. BAILEY and settled in Huntington Twp. Their daughter Augusta married George BARNUM, whose daughter Myrtle B.Barnum resides in Belleville

Handwritten text, likely a letter or document, written in cursive script. The text is faint and mostly illegible due to fading and bleed-through from the reverse side. It appears to be organized into several paragraphs, with some lines indented. The right edge of the page shows a vertical strip of lighter material, possibly a binding or a piece of tape.
